Dear Mr. Caruso,

On behalf of the National MS Society, NJ Metro Chapter, I thank the Natural Glass Corvette Association for the generous donation of \$1,750!

We appreciate your interest in our vision of a world free of MS and in our mission to mobilize people and resources to drive research for a cure and to address the challenges of everyone affected by MS. Every day we hear from people who are faced with such challenges and respond to them by offering a wide variety of programs and services. We are encouraged to continue with our vision and mission by generous donors like your Corvette Club! We are pleased to know that this donation is targeted directly to local programs in NJ.

We look forward to your 2013 car show; I will stay in contact with Harry Becker to learn how the Chapter may be of assistance.

Sincerely,
